### Zema Estate Family Selection Cabernet Sauvignon 2018

Region: Coonawarra

Alcohol: 14.5%

Drink by: 2034

Closure: Screwcap

Curls of flavour-soaked tannin. Currants with clear inlays of dry tobacco, herbs, aniseed and dust. A general juiciness to the flow and yet it still feels as though it's a wine to be taken seriously. All the angles and characters of this wine are positive. It's a very good release, with an excellent future ahead.
