### Zema Estate Coonawarra Cabernet Sauvignon 2018

Region: Coonawarra

Alcohol: 14.5%

Drink by: 2033

Date Tasted: 15 Jan 2021

Closure: Screwcap

As with so many cabernets, lots of air and time to open up makes such a big difference. This appeared raw and closed at first, with raspy tannins. It then revealed cassis, leafy freshness, dark chocolate, herbs and menthol. A core of sweet fruit works in unison with the cedary oak and while more bottle aged is needed to smooth out the tannins, they are knitted into the body of the wine.

#### RATING

**93** POINTS
